Summer Hill

HOA Dues-Time Coming June 1st

Ah, the curse of HOA membership: paying dues! Of course, we think residents get a pretty good deal for the cost (of course you can disagee!). The Board worked hard to put together a budget that did not include an increase in dues, so everyone should appreciate that.

By now, residents should have received their dues invoice from our accountant/treasurer Kathy White. Please note the invoice instructions that state payment can be made in one lump sum, due June $\mathbf{1}^{st}$, or in two equal payments due June $\mathbf{1}^{st}$ and July $\mathbf{1}^{st}$.

As the HOA has ongoing expenses that tend to increase as the 2021-22 season cranks up, prompt payment is very much appreciated for us to stay in the black.

WD Update

- Most of the irrigation is working.
- Breaks on Summer Bend and Summer Sage are being repaired or have been.
- The Roundabout pump house leak is repaired as of Thursday, 5-6-21, but it may be a few days until it is fully operational. Filings 6-8 will then resume their regular watering schedule. A schedule will be sent out as soon as it is available.
- Weed and dandelion control is being stepped up.
- Native area weed treatment will begin on June 1st.
- Private irrigation startups are still available through WD at 970 243-1229

"But my plants are looking dead... ...what to do?"

Some famous person recently said, "Help is on the way!" And indeed it is. Every spring, when enough time has passed for even the late bloomers to have had a chance to "wake up" for Spring, the Softscape Committee (Sue Polan, Linda Griffith, Janet Hassell and Erik Bennett from WD) do a walk-around of the various filings and culdesacs to assess the condition of landscape plantings. The walkaround for the culdesacs west of the Summer Hill Way roundabout is set for Monday, May 10th. The walk-around for Filings 6, 7 and 8, is set for Tuesday, May 11th.

Both are scheduled for 8:30 am, so if you have special concerns you want to share, you might want to be available that morning to visit with the committee as they come by.

After this needs assessment is complete, a trip to the appropriate nursery is planned for Wednesday, May 12th, to purchase plants. Keep in mind that plants will only be put in the ground when and if adequate irrigation to support them is available.

WD is aware of this and is working hard to get all the irrigation up and running to support plant replacement.

Coming up in June: Summer BBQ

Get ready for some good eating and fellowship at the HOA Gazebo on Thursday, June 3rd. Kevin Bray will crank up the BBQ and do his chef magic with hamburgers, hot dogs, and brats. He is also providing all the fixin's and a libation or two!

Residents are asked to add to the event by bringing a side dish (or two) or a dessert. Also, bring a lawn chair and drink of choice if you aren't a beer or wine drinker.

If we remain socially distanced and you have been vaccinated, you can leave your mask at home.

Otherwise, please protect yourself and others by wearing your mask.

Summer Hill Real Estate Update

Merrite Wyatt tells us:

"Summerhill is moving along well! We have have a custom home finished and the new owner moves in Thursday.

Another Custom home in the new filing will be done in a few months. Construction costs have increased but the quality of life that Summerhill offers has helped us keep moving forward.

"Currently in Summerhill we have 3 new spec houses with one finished in the next 45 days or so. Are also working on plans and drawings for 3 new custom homes as well."

"Very exciting times in Summerhill."
